Professional Summary

A highly motivated and detail-oriented Computer Engineering diploma student with two years of hands-on academic experience in programming, networking, and software development. Strong foundation in C, C++, and Python, combined with a passion for technology and problem-solving. Skilled in collaborating within teams, adapting quickly to new tools and environments, and applying theoretical knowledge to real-world tasks. Eager to contribute to innovative projects and continuously grow as a tech professional. Committed to learning, improvement, and making a meaningful impact in the tech industry.

Skills

Skills

Technical Skills:

Programming Languages: C, C++, Python

Web Development: HTML, CSS, JavaScript (Basic)

Database Management: MySQL, SQLite

Operating Systems: Windows, Linux (Basic)

MS Office Suite: Word, Excel, PowerPoint

Networking Basics: LAN setup, IP addressing, basic router/switch configuration

Software Tools: Visual Studio Code, Turbo C++, Git

Soft Skills:

Problem-Solving

Analytical Thinking

Teamwork and Collaboration

Adaptability

Communication Skills

Time Management

Additional Skills:

Basic Graphic Design (Canva, Photoshop)

Hardware Troubleshooting

Education

03.2023

Diploma In Computer 2 Yr, Computers, Shayadri
politechnic sawerde - Chiplun

I am currently pursuing a Diploma in Computer Engineering and have successfully completed two years of the program. During this time, I have developed a strong foundation in programming, computer hardware, software applications, and networking. My coursework has included practical and theoretical knowledge that has helped me understand real-world applications of technology. I am passionate about learning and continuously improving my skills, and I look forward to applying what I've learned to contribute effectively in a professional environment.
